RE: House Bill 158 Tribal Eligibility for All Grants and Loans under the Big Sky  
Economic Development Program

Chairman Bales and Members of the Committee,

On behalf of the State Tribal Economic Development Commission, please accept this letter of support for House Bill 158 which provides for the direct access of tribal governments to the Big Sky Trust Fund Category II Planning funds. It is our belief that this legislation will increase overall tribal access to the state of Montana's finance programs and will allow tribes to utilize the planning mechanism of the Big Sky Economic Development Trust Fund more effectively.

Thank you for your consideration of the State Tribal Economic Development Commission's testimony.

Sincerely,

A handwritten signature in cursive script that reads "Shawn Real Bird".
